The aforementioned matters were reported.

Proposals resolved:

Proposal No. 1: Appropriation of Surplus

The proposal was approved and adopted as proposed. The year-end dividend per common share and the year-end dividend per Class A Stock were decided to be ¥9 and ¥3,600, respectively.

As a result, the annual dividend was ¥18 per common share and ¥7,200 per Class A stock, including the interim dividend.

Note: Although the Company conducted a stock split at a ratio of 1:400 of its common stock on October 1, 2013, a stock split was not implemented for the Class A stock of the Company. Accordingly, the amount of the dividend of the Class A stock was determined by multiplying the dividend of the common shares of the Company by 400, resulting in an amount equivalent to the dividend of the common shares prior to the stock split, as specified in the Company’s Articles of Incorporation.

Proposal No. 2: Partial Amendments to the Articles of Incorporation

The proposal that the necessary amendments be made to Article 42 and Article 50, in connection with the change of the scope of parties with whom the Company may enter into a liability limitation contract pursuant to the Act on Partial Revision of the Companies Act (Act No. 90 of 2014), coming into force on May 1, 2015, was approved and adopted as proposed.

Pursuant to Article 32, Paragraph 4 of the Articles of Incorporation, Class A Shareholders may raise an objection to the effect that the General Meeting of Class A Shareholders be convened within two weeks of the date of resolution of this Ordinary General Meeting of Shareholders. However, the Company had been notified by Class A Shareholders in advance that no objection would be raised with respect to this proposal, on the condition that the Company's proposals stated in the Notice of the 9th Ordinary General Meeting of Shareholders are approved as proposed and that no proposals other than said proposals are approved.
