INPEX Redesigns Corporate Website

TOKYO, JAPAN - [INPEX CORPORATION](https://www.inpex.com/english/) (INPEX) announced today it has redesigned its corporate website in conjunction with the formulation of [INPEX Vision 2035](#), the company's long-term strategy and mid-term business plan, as well as its corporate branding roll-out.

The revamped corporate website incorporates a structure and design intended to enhance usability, visibility and accessibility of content and information for all stakeholders.

Additionally, INPEX has introduced a new domain to support the corporate website redesign. All stakeholders are kindly requested to update any registered links or bookmarks as necessary.

The change of website domain is as follows:

(Old) <https://www.inpex.co.jp/english/>

(New) <https://www.inpex.com/english/>

Going forward, INPEX will continue to strive to enhance the content and improve the functions of its corporate website to quickly and accurately provide information to all its stakeholders.

About INPEX

INPEX is Japan's largest exploration and production (E&P) company, engaged in the development and operation of oil and gas projects worldwide. We are committed to contributing to a brighter future by delivering energy in a sustainable way. As part of this commitment, we are also engaging in lower-carbon solutions such as CCS, hydrogen and integrated power supply, while pursuing new opportunities in the evolving energy landscape.
